

Interactions between physical parameters, chemical pollutants, and microbes in the built environment

Jan 9th 2023 (Mon) 8:00 (GMT+1)

International hybrid workshop

University of Ljubljana
Faculty of Civil and Geodetic Engineering

x

12th Special seminar on The IDEC Institute,
5th PHIS Seminar

Hiroshima University
The IDEC Institute, PHIS

Event overview

For the first time, the University of Ljubljana and the Hiroshima University collaborate to provide a new focus for international and interdisciplinary exchange on physical parameters, chemical contaminants and microorganisms in the built environment, including lectures and discussions.

Supported by Hiroshima University, Network Formation Support Program

Welcome speech

Prof. Dr. Violeta Bokan Bosiljkov

Dean of the Faculty of Civil and Geodetic Engineering of the University of Ljubljana

Prof. Dr. Saori Kashima,

Director of the PHIS, The IDEC Institute of Hiroshima University

Application

Available via application form

<https://forms.office.com/r/dCnrp1bycv>

Deadline:

Dec. 20th, 2022

Invited Speakers

- Dr. Fumito Maruyama
PHIS, The IDEC Institute of Hiroshima University, Prof.
- Dr. Janez Mulec
Research Center of the Slovenian Academy of Sciences and Arts, Assoc. Prof.
- Li Yutong
Graduate School of Advanced Science and Engineering, Hiroshima University
- China Kuratomi
Graduate School of Advanced Science and Engineering, Hiroshima University
- Ožbej Vene
Faculty of Civil and Geodetic Engineering of the University of Ljubljana
- Tajda Božič
Faculty of Civil and Geodetic Engineering of the University of Ljubljana

University of Ljubljana

Dr. Mateja Dovjak

Faculty of Civil and Geodetic Engineering of the University of Ljubljana

Dr. So Fujiyoshi

PHIS, The IDEC Institute, Hiroshima University
