

Student Internship Program

July 2014, Ljubljana, Slovenia

- Do you want to:
- Intern with American Chamber of Commerce of Slovenia companies?
 - Learn about business and economics the American way? Even if they are not your fields!
 - See what it takes to become an entrepreneur?

Who may apply?

Intended for Slovenian 2nd year or higher undergraduate (dodiplomski) non-business/economics students at Slovenian universities.

We particularly encourage students in the natural sciences, engineering, math, computer science and medicine to apply!
